Lot	Description
1	Biesse, Selco WN610 CNC beam saw, Serial No. 1000003880 (2015) with CNC controls; Zebra ZT230 thermal label printer; 6x pneumatic grippers on pusher beam with double fingers; air table with round shape profile 2,050mm x 620mm; air generator for max. 6x air tables; 9x roller modules on pusher table. ...[more]
2	Biesse, Winstore 3D K2 Automatic Magazine modular automatic bridge sheet feeding system, Serial No. 1000004321 (2015) with CNC controls; operator control station; vacuum cup lifting frame; squaring panel system; handling of raw & thin panel; panel detachment; panel weight control with load cell; ...[more]
3	Biesse, Rover B FT 2231 GFT CNC machining centre, Serial No. 1000004529 (2015) with CNC controls; RM850 digital pendant controller; operator control station; automatic lubrication system; high precision linear stop; 16 zone multizone vacuum system; 3x Busch Mink MM 1322 AV vacuum pumps; pendulum mac ...[more]
4	All inclusive Lot comprising: Biesse LM BWD B06 machine line including Biesse, Selco WN610 CNC beam saw, Serial No. 1000003880 (2015); Biesse, Winstore 3D K2 Automatic Magazine modular automatic bridge sheet feeding system, Serial No. 1000004321 (2015); Biesse, Rover B FT 2231 GFT CNC machining cent ...[more]
7	Biesse, Rover A 1632 5-axis CNC machining centre, Serial No. 70795 (2014) with CNC controls; RM850 digital pendant controller; operator control station; 16 position automatic tool changer; Stulz Cosmotec WRA2040N20ZBS0 7035 liquid cooler, Serial No. 0000492508 (2014); Becker VTLF 2.250/0-79 vacuum p ...[more]
8	Biesse, Rover A 1632 5-axis CNC machining centre, Serial No. 1000007441 (2015) with CNC controls; RM850 digital pendant controller; operators control station; 1x spindle head; 1x drill bit changer head; 14 position automatic tool changer; Texa SAW50RBSBXBS000 single fan chiller, Serial No. 00123340 ...[more]
9	Weeke, Optimat BHX 055 vertical CNC machining centre, Serial No. 0-250-11-2168 (2011) with CNC controls; pneumatic collet chuck; 8x vertical drilling spindles. Max. workpiece measurements: 3,000mm x 850mm x 60 mm; min. workpiece measurements: 200mm x 70mm x 10 mm; vector speed: X/Y 50m/min & Z ...[more]
16	Biesse CNC edge banding machine line, Serial No. 1000004049 (2015) comprising Biesse Stream B1 8.5 CNC single sided edge bander, Serial No. 1000004052 (2015) and Biesse, PRS-Evo 312 boomerang panel return conveyor system, Serial No. MI00325 (2015) complete with CNC controls; square infeed device; sp ...[more]
17	Biesse, Akron 1330 A CNC single sided edge bander, Serial No. 1000007494 (2015) with CNC controls. Machine length: 5,213mm; panel thickness: 10mm - 60mm; edge thickness: 0.4mm - 5mm; feed rate: 12m/min (Original Purchase Price £45,000 in 2015) (Ref: 102) (Location: Brent)
18	Biesse Active Edge 60 single sided edge bander, Serial No. 06920 (2015). Weight: 250 kg; table size: 820mm x 1,160mm (Location: Brent)

19	Brandt, Optimat KTD 720 single sided edge bander, Serial No. 0-260-06-4113 (2005) with digital controls. Table size: approx. 760mm x 1,100mm (Ref: 111) (Location: Brent)
25	Biesse Viet, Opera 7-6.3 HRRRRR through feed wide belt sanding and planing machine, Serial No. 6110330 (2017) with CNC controls; 6x longitudinal units and 2x additional units in infeed/outfeed belt conveyor; HPG planer unit; 2 x working units - 2620 / roller dia. 240mm; 3x working units - 2620 / ro ...[more]
26	Butfering, Optimat SCO 211/RL through-feed 2-head wide belt sander, Serial No. 0411020295 (2004). Max width: approx. 1,200mm (Original Purchase Price £31,330 in 2004) (Ref: 117) (Location: Brent)
27	SCM, Type: Uno through-feed wide belt sander, Serial No. AE003480; Ref: 070331. Weight: 778kg; max. width: approx. 1,000mm; machine length: approx. 1,000mm (Location: Two Gates on mezzanine floor)
28	Lower Discmaster, Type: DMDDDBB through-feed sanding and denibbling machine, Serial No. 10765 (2006) with B&R Power Panel touch screen controls. Weight: 1,900kg; max. width: approx. 1,500mm; machine length: approx. 3,000mm (Original Purchase Price £68,000 in 2006) (Ref: 210) (Location: Two Gates ...[more])
35	Weinig, Powermat 700-018 automatic planer and moulder, Serial No. 122796 (2016) with touch screen controls; Working width: (with tool cutting circle 93mm - 125mm) 20mm - 230mm; working height: (with tool cutting circle 93mm - 125mm) 10mm - 160mm; tool arrangement no. 018; no. of spindles: 6 to inclu ...[more]
40	Friulmac, Contouramat automatic double ended tenoning / end cut profiling machine, Serial No. 4452A (2016) with Siemens Simatic Panel off-station touch screen controls; vertical magazine; feeding system; profiling unit G2; extended machine for work-pieces length max. 1,500mm, central support guide i ...[more]
45	Biesse, Elix 1300 K4 CNC point to point dowel drilling and insertion machine, Serial No. 1000002288 (2014) with CNC controls; 1 x drilling unit; 1x dowel insertion unit; Brovind Vibratori OB300AC dowel hopper infeed; 4 position workpiece clamping system, oil lubrication pump; glue pump. Max. parts ...[more]
50	Salvador, Super Push 200 automatic up-stroking cross cutting saw, Serial No. A511 (2014) with CNC controls. Saw blade dia. 500/550mm; max. pusher speed: 60/180m / min; min. saw cycle: 0.2 seconds; max. cutting capacity: 300mm x 95mm or 240mm x 150mm; compressed air pressure: 6 atm; working height: 9 ...[more]
51	Weinig, Profi-RIP KM 310 M multi-ripsaw, Serial No. 27326 (2002) with Raimann Pro-Face controls, steel frame in-feed table, twin-station gravity roller conveyors (1x rail mountable), and Trumeter data counter (Location: Two Gates)
52	Martin T73 automatic sliding panel saw, Serial No. V460989 (2006), Saw Blade. Min 250mm / Max. 500mm, UPM Rpm t/min. 2800/4000/5500, with digital controls and data measuring counter (Ref: 225) (Location: Two Gates)
53	Martin T73 automatic sliding panel saw, Serial No. V459179 (2005), Saw Blade. Min 250mm / Max. 500mm, UPM Rpm t/min. 2800/4000/5500, with digital controls and data measuring counter (Ref: 227) (Location: Two Gates on mezzanine) (NB: special clearance terms - please contact Auctioneer)
54	Martin T73 automatic sliding panel saw, Serial No. V429906 (2002), Saw Blade. Min 250mm / Max. 500mm, UPM Rpm t/min. 2800/4000/5500, with digital controls and data measuring counter (Ref: 226) (Location: Two Gates on mezzanine) (NB: special clearance terms - please contact Auctioneer)
55	Striebig Compact TRK, Type. 4164C vertical wall saw, Serial No. 29809, Saw Dia. Nominal 250mm / Minimal 240mm, Cutting Bed. 3400mm x 1500mm, with Striebig digital measuring device (Ref: 246) (Location: Two Gates)

57	OMGA T55 300 bench mountable mitre saw, Serial No. 04285028 (2002), with 2x Saw Gear automatic length measuring device and dust collecting system (Ref: 235) (Location: Two Gates)
58	Elektra Beckum KGS 301 bench top mitre saw, 240v (Ref: 211) (Location: Two Gates)
59	Elektra Beckum bench top mitre saw, 240v (Ref: 212) (Location: Two Gates)
60	JET JWBS-18 vertical bandsaw, Serial No. 05111027 (2005) (Location: Two Gates)
72	Omec F8 automatic spindle dovetailing machine, Serial No. 040189 (2004), (Ref: 234) (Location: Two Gates on mezzanine)
73	Hoffmann MU2 dovetail machine, working bed 580mm (Ref: 216) (Location: Two Gates)
74	Hoffmann MU2 dovetail machine, working bed 580mm (Location: Two Gates on mezzanine)
76	Stegherr KSF-2 closed halving joint cutter (c.1998) with foot pedal control (Location: Two Gates)
80	Griggio T215 spindle moulder, Serial No. 14P810695460000 (2014), with Griggio GM4/34 3-roller power feeder, Type.11622506, Serial No. 1161400005 (2014) (Ref: 215)(Location: Two Gates)
81	SCM, Minimax, Type. T50 spindle moulder, Serial No. KK/081998 (2006) (Location: Two Gates)
82	SCM, Minimax, Type. T50 spindle moulder, Serial No. KK/074815 (2004) with Maggi Steff 2038 3-roller power feeder (Location: Two Gates)
83	SCM, Minimax, Type. T50 spindle moulder, Serial No. KK/056583 (2001) (Location: Two Gates)
84	SCM, Minimax, Type. T50 spindle moulder, Serial No. KK/054468 (2000) (Location: Two Gates)
85	iTech SM55ISI spindle moulder, Serial No. 0706026 (2007) (Ref: 276) (Location: Two Gates on mezzanine)
86	Axminster JWS-34L spindle moulder, Serial No 3011907, 240v (Ref: 280) (Location: Two Gates on mezzanine)
87	JessEm Rout-R-Lift / Festool OF1400 EBQ bench mounted router, 240v (Location: Two Gates on mezzanine)
88	Trend MS-R router table, Serial No. 808190 (1998), with Makita router, 240v (Location: Two Gates on mezzanine)
89	Fabricated table mounted horizontal drilling machine with work piece clamp, table size: 1,000mm x 1,000mm (Location: Two Gates)
90	Maggi Steff 2038, Type: 12870501 automatic spindle moulder power-feeder, Serial No. 1280501260 (2005) (Location: Two Gates)
91	Maggi Steff 2038, Type: 12870501 automatic spindle moulder power-feeder, Serial No. 1280600867 (2006) (Location: Two Gates)
92	Quantity of spindle moulding tooling as lotted (Location: Two Gates)

93	Quantity of spindle moulding tuffnell guides as lotted (Location: Two Gates)
95	Ligmatech, Optimat MDE 110/28/08 CNC carcass clamping machine, Serial No. 0-306-09-1310 (2008) with CNC controls; belt driven infeed/outfeed conveyor, approx. 800mm x 8,600mm; carcass dimensions L min. 250 mm, max. 2,800 mm; H min. 280 mm, max. 1,320 mm; controls type Powercontrol PC 22 T, electric ...[more]
96	Make Unknown pneumatic carcass clamping press, Serial No. PN28-4236, (Ref: 282) (Location: Two Gates on mezzanine) (NB: special clearance terms - please contact Auctioneer)
97	Blum BoxFix P ZMM.2750.01 bench mounted Legrabox / Tandem box press, Serial No. LF00572 (2018) (Location: Two Gates on mezzanine)
99	Lamont Clamping Systems mobile assembly clamp, Bed Size. 1580mm x 990mm, Serial No. 2276DC (2000), with 3 x pneumatic rams (Ref:220) (Location: Two Gates on mezzanine)
100	JLT Clamps #79F-8-PC door assembly clamp, Max Width. 2400mm, with 17x adjustable fixtures (Ref: 218) (Location: Two Gates)
101	James Taylor 79X-5-A, 5-arm rotating door assembly clamp, Serial No. #79X-5-A (2004), Max Working Width. 1700mm (Ref: 217) (Location: Two Gates)
102	Make Unknown air press clamp, Max Working Width. 2,270mm (Location: Two Gates)
103	Make Unknown mini-air press clamp, Max Working Width. 750mm (Location: Two Gates)
104	Gibbs Construction Ltd through feed gluing and clamping machine, Serial No. 3935/3653, with outfeed table c.1200mm x 1800mm, and control / electrical cabinet (Ref: 214) (Location: Two Gates)
105	Air Press Company BP3618 mobile heated platen press, Max Working Area. 3500mm x 1700mm (Ref: 284) (Location: Two Gates on mezzanine)
106	Air Press Company heated platen press, Max Working Area. 2100mm x 1350mm. Damage to rubber sheet (Ref: 283) (Location: Two Gates on mezzanine)
107	Fabricated curved door clamping frame complete with various size curved door jigs as lotted (Location: Two Gates)
116	Zangheri & Boschetti, Type: Ligna multi head (21) horizontal drilling machine, Serial No. 452141 (Ref: 253) (Location: Two Gates on mezzanine) (NB: special clearance terms - please contact Auctioneer)
117	Berle, R1 drilling machine, Serial No. 0403981 with fabricated steel frame workbench (Ref: 110) (Location: Brent)
118	Kreg, DK1100 TP/FP bench mounted pocket hole drilling machine, Serial No. 670506 (2015) (Location: Two Gates)
119	Kreg bench mounted lever-arm pocket hole drilling machine, Serial No. DB03402 (All faults) (Location: Two Gates)
120	Blum, MiniPress P M53.1050 drilling machine, Serial No. JC 01799 (2012) with fabricated steel framed workbench (Ref: 207) (Location: Two Gates)

121	Blum, MiniPress M51P1000 drilling machine, Serial No. EA 06282 (2003) with fabricated steel framed workbench (Ref: 206) (Location: Two Gates)
122	Blum, Minipress M51P1000 drilling machine, Serial No. EA 04545 (2001) with fabricated steel frame workbench (Ref: 101) (Location: Brent)
123	Blum, MiniPress M51P1000 drilling machine, Serial No. EA 1092 (1998) with fabricated steel framed workbench (Location: Two Gates)
124	Blum, MiniPress M51N1050 drilling machine, Serial No. CD 8104 (1991) with fabricated steel framed workbench (Ref: 208) (Location: Two Gates)
125	Axminster, HD25F1 pedestal drill, Serial No. 213304 (2003). Capacity: 1" (25.4mm); speeds: 12 (Location: Two Gates on mezzanine)
126	Record, Power DP58P pedestal drill. Chuck: 16mm; spindle to column: 190mm; speeds: 12 (Ref: 281) (Location: Two Gates on mezzanine)
127	Record, Power DP58P pedestal drill with fabricated steel frame workbench. Chuck: 16mm; spindle to column: 190mm; speeds: 12 (Ref: 136) (Location: Brent)
128	Blum, MiniPress M51P1000 drilling machine, Serial No. EA 04544 (2001) with fabricated steel framed workbench (Not in use) (Location: Two Gates)
129	Fabricated steel framed extraction bench, size approx. 1,000mm x 600mm x 820mm with 2x Sealey / Gajx 3/8" air drills & 2x clamping jigs (Location: Brent)
135	SCM Minimax. Type. FS35 Elite surface thicknesser planer, Serial No. KK/081852 (2006) (Location: Two Gates on mezzanine)
136	SCM S520 through-feed thicknesser planer, Max Working Bed. 900mm x 500mm, Serial No. AB/086785 (1995), (Ref: 288) (Location: Two Gates on mezzanine)
140	Lasm RCG 1200 twin-belt, wide band adjustable horizontal sander / finishing machine, Max Width. 1200mm, Serial No. 2439178 (1999) (Location: Two Gates on mezzanine) (NB: special clearance terms - please contact Auctioneer)
141	Volpato LBK150 floor mounted horizontal belt linisher, Serial No. V05372, with Maggi Steff 2038 power feeder head, Type. 12870501, Serial No. 1280501261 (Ref: 249) (Location: Two Gates)
142	Volpato LBK150 floor mounted horizontal belt linisher, Serial No. V0481 (2004), with Maggi Steff 2038 power feeder head, Type. 12870501, Serial No. 1280501260. Decommissioned. (Location: Two Gates on mezzanine)
143	Axminster Big Boy 80 APTCBL80 horizontal / vertical belt linisher / sanding machine, Serial No. 0412002 (2004), (Ref: 201) (Location: Two Gates on mezzanine)
144	Axminster JBOS-5 bench top oscillating spindle sander, Serial No. 3048685 (Location: Two Gates on mezzanine)
145	KEB ABA01 wheel sander / polisher, Serial No. 01-246 (2002) (Location: Two Gates on mezzanine)
146	"Hang" trolley mounted 5 position abrasive belt mobile rack, size approx. 2,500mm x 1,600mm x 2,250mm and contents to include sheets of Mirka P60 / P100 / P150 / P180 / P220 as lotted (Location: Two Gates on mezzanine)

147	Quantity of Mirka abrasive belts comprising approx. 11x sheets of P180 (1,100mm x 2,150mm) & 10x sheets of P220 (Approx. quantities) (Location: Brent)
150	Multico HM.1 bench mounted morticer, Serial No. 1845 (Location: Two Gates)
151	Axminster CM19CT hollow chisel morticer mounted on steel frame, Serial No. U753 (2003) (Location: Two Gates)
155	Tormek 2000 water cooled sharpening / grinding wheel for edge tools, wheel dia. Approx. 250mm (Location: Two Gates on mezzanine)
160	Weima, Ultra 60-28 single shaft waste wood shredder, Serial No. 510-2508 (2017). Hours: ?; motor: 18.5 kW (Original Purchase Price £12,872 in 2018) (Ref: 289) (Location: Two Gates)
161	Weima, WLK6S single shaft waste wood shredder, Serial No. 500-8739 (2009). Hours: 6,961/48; motor: 37 kW (Original Purchase Price £12,000 in 2015) (Ref: 121) (Location: Brent)
162	Weima, WLB 400 single shaft waste wood shredder, Serial No. 600-127 (1998). Hours: 19,268/06; motor: 18.5 kW (Ref: 120) (Location: Brent)
163	Steel 30' shipping container with pedestrian side door, ply lining and wooden flooring complete with contents to include 11x pallets of various base mult / base end 925mm x 960mm / 1,040mm x 960mm and other size cardboard diecut and perforated for packaging kitchen and bathroom furniture as lotted ...[more]
164	Steel 20' shipping container with rear pedestrian door comprising a bay of lightweight racking and quantity of diecut and perforated cardboard suitable for packaging kitchens and bathrooms as lotted (Location: Two Gates)
165	Steel 30' shipping container with pedestrian side door, electrics and extraction including maintenance stores contents comprising: Clarke Metalworker CMD1225C bench mounted drilling and milling machine; Clarke Metalworker CL300m 300mm bench mounted variable speed lathe; Elektra Beckum 175DK pedestal ...[more]
166	Steel 20' shipping container with pedestrian side door, MFC board lining and electrics etc. including maintenance stores contents comprising: Record Power DP58P pillar drill; steel framed workbench with Record No. 24 bench vice; bay of lightweight racking; quantity of electrical wiring and component ...[more]
170	Worthington Creyssensac Rollair 40, Type: RLR40 fixed speed rotary screw air compressor, Serial No. API124660 (2015) with digital controls. Running hours: 12,300; loaded hours: 3,131; max. pressure: 8.5 bar; motor: 30 kW / 40 HP (Original Purchase Price £12,500 in 2015) (Ref: 100) (Location: Brent)
171	Compair L 22 RS-7.5A rotary screw air compressor, Serial No. CD10008456001 (2012) with digital controls. Hours: 19,937; max pressure: 7.5 bar; power: 22 kW; weight: 386 kg also including Rednal Pneumatics 500 litre welded mild steel vertical air receiver, Serial No. 35605/001 (2004) (Original Purcha ...[more]
172	Compair L 07 RS-7.5A rotary screw air compressor, Serial No. BA33575001 (2014) with digital controls. Hours: 17,168; max. pressure: 7.5 bar also including Co.Ino 500 litre welded mild steel vertical air receiver, Serial No. VES01088 (2015), max. pressure: 11 bar (Location: Two Gates)
173	Atlas Copco GA 22 FF rotary screw air compressor, Serial No. AII227774 (1996) with Elektronikon digital controls. Max. pressure: 7.5 bar; power: 22 kW; weight: 480 kg also including Siap 500 litre welded mild steel vertical air receiver, Serial No. 00301 (2007), max. pressure: 11 bar & Clarke In ...[more]

174	Atlas Copco GA 18 FF fixed speed rotary screw air compressor, Serial No. AII219920 (1995) with Elektronikon digital controls. Max. pressure: 7.5 bar, power: 18.5 kW also including Abbott & Co welded mild steel vertical air receiver, Serial No. A42071 (1996) (Location: Brent on RSJ framed mezzani ...[more]
175	Beko Drypoint Type: RA DPRA240/AC refrigerant air dryer, Serial No. 140009483/14 (2014) with 2 x Beko Clearpoint filters (Location: Brent on RSJ framed mezzanine)
176	Beko Drypoint RA Type: DPRA70/AC refrigerant air dryer, Serial No. 130019351/13 (2013) with Domnik Hunter filter and Sterling CS75 oil / water separator (Location: Two Gates)
177	Beko Drypoint Type: RA DPRA240/AC refrigerant air dryer, Serial No. 160018589/16 (2016) with 2 x Compair filters (Location: Two Gates on mezzanine, mounted on top of spray booth enclosure)
178	HOH Water Technology RO1910 water filtration system, Serial No. 044984616 (2004) comprising: 200 litre & 140 litre tanks; ML System digital dosing system; Grundfos vacuum pumps; Wave Cyber pressurised cylinders; 20 micron filter etc. (Location: Two Gates on Mezzanine)
180	Ranheat Engineering RHA250 wood chip burner, enclosure size approx. 2,000mm x 1,400mm x (H) 2,340mm with control panel, multi tube heat exchanger, distribution air fan, fines filter hopper, flue stack and approx. 13m of galvanised steel ducting to external factory wall (Location: Brent)
181	Galvanised cylindrical bulk storage silo mounted on floor standing steel frame, dia. approx. 2,400mm x H - 6m (Location: Brent)
182	Wood dust extraction and filtration system comprising; twin-section V-shape hoppers mounted on floor standing steel frame, approx. 5,600mm x 2,700mm x (H) 6m, single-section V-shape hoppers mounted on floor standing steel frame, approx. 5,000mm x 2,400mm x (H) 6m, complete with Airco 580 GRD fan and ...[more]
183	All inclusive Lot comprising: Make-unknown wood chip burner, enclosure size approx. 2,000mm x 1,400mm x (H) 2,340mm with approx. 13m of galvanised steel ducting to external factory wall; Galvanised cylindrical bulk storage silo mounted on floor standing steel frame, dia. approx. 2,400mm x H - 6m; Wo ...[more]
184	Make-unknown wood chip burner, enclosure size approx. 1,000mm x 1,700mm x (H) 2,100mm, complete with control panel, fines filter hopper and flue stack, heat exchanger, steel cylindrical bulk silo mounted on floor standing steel frame with roof mounted dust hopper, silo size. dia. approx. 1,400mm x (...[more]
185	Wood dust extraction and filtration system comprising; 3 x galvanised steel single section hoppers mounted on steel frame, overall approx. dimension of system, 21m x 3m, complete with associated fans, motors and ducting to external factory wall (Location: Two Gates)
186	Steel fabricated bulk storage silo mounted on floor standing steel frame, silo size. dia approx. 2,500mm x (H) 5m, complete with roof mounted dust hopper (Location: Two Gates)
187	All inclusive Lot comprising: Make-unknown wood chip burner, enclosure size approx. 1,000mm x 1,700mm x (H) 2,100mm, complete with control panel, fines filter hopper and flue stack, steel cylindrical bulk silo mounted on floor standing steel frame with roof mounted dust hopper, silo size. dia. appro ...[more]
200	Galvanised sectional walk-through two door gas fired oven, enclosure size approx. 2,550mm x 3,500mm x 2,550mm (excluding components above) including "The Bruest" flameless gas infrared catalytic heater, Serial No. 190711; twin doors at either end (Location: Two Gates) (NB: special clearance terms - ...[more]
