Lot	Description
1	Biesse ROVER 342 CNC MACHINING CENTRE, serial no. 853/91, max. power 25kW, with tooling as fitted and loose tooling in cabinet, control panel, safety fencing and flexible dust extraction ducting
2	Rye MA 1515 TP 3000 x 1500 TWIN BED CNC ROUTER, serial no. 154, lifting layout A3 MA 1671, weight 7000kg, with control panel, flexible dust extraction ducting, two vacuum pumps. PC and software not included in sale
3	Gibenmatic 2m CROSS CUT SAW, with vacuum bed, approx. 3.3m x 2m
4	Wadkin PU STRAIGHT LINE EDGER, serial no. 659, with flexible dust extraction hose
5	Gebr Butfering AWS1100mm WIDE BELT SANDER, serial no. 9925417, year of manufacture 1988
6	Assorted 1100mm wide Sanding Belts, with timber rack and in box
7	Morso Treadle Operated Guillotine
8	Wadkin 30in. Rise & Fall Bed Thicknesser (please note this lot is subject to a prohibition notice and purchasers must ensure that this machine complies with current legislation before putting back into operation)
9	Wadkin CK90 UP-CUT CROSSCUT SAW, serial no. 91143, with roller feed tables
10	Sagar 300mm wide Planer (please note this lot is subject to a prohibition notice and purchasers must ensure that this machine complies with current legislation before putting back into operation)
11	Weinig U17A 7-HEAD THROUGH FEED MOULDER, serial no. 1164/727, with extraction ducting to first 90° bend after hand slide (please note this lot is subject to a prohibition notice and purchasers must ensure that this machine complies with current legislation before putting back into operation)
12	IDM E137 SINGLE SIDED EDGE BANDER, serial no. 10791429
13	Indusvent DUST EXTRACTION UNIT (disconnect ducting at bolted manifold)
14	Spiral Would Galvanised Steel Ducting to Three Machines
15	Interwood HEP 10ft x 5ft DAYLIGHT PRESS, serial no. 143, with electro-hydraulic power pack - vendors comments - two heated bottom platens

16	V Alberti A11-CN BASICA DRILLING MACHINE, with TPA PTP 200 controls
17	Wadkin LSM ROUTER, serial no. 1268, with tooling
18	Brookman 15RMM Dovetailing Machine, serial no. 2100-132-1
19	White EDGE SANDER, serial no. M46615R, with flexible dust extraction ducting
20	Dominion DDA OVERHEAD PAD SANDER, serial no. 169, with flexible and spiral wound ducting to and including first 90° bend and traversing table, approx. 2.9m wide
21	Tregarne 4000 RF Wood Welder, with timer, serial no. 99003/4T, 230V, operating frequency 27.12
22	Timber Bench, fitted pneumatic clamping frame, 2.58m wide, with Record joiners vice
23	Bottcher and Gessner RISE & FALL SPINDLE MOULDER, with flexible dust extraction ducting
24	Steff 2034 Power Feed Unit, serial no. 1271100439, with adjustable height stand
25	ASSORTED TOOLING, as set out
26	MH Fabrications MK1A Single Bag Dust Extraction Unit, serial no. 1213
27	Wadkin PK DIMENSION SAW, serial no. 2197, with 450mm dia. TCT saw blade, fixed & sliding tables and flexible dust extraction ducting
28	Robinson RP/E 15in x 6in SINGLE ENDED TENONER, serial no. 337, with flexible dust extraction ducting
29	Hollow Chisel Morticer
30	Atlas Pillar Drill, with timber bench
31	Bosch 601 103 107 Drill, 220V, with drill stand
32	TCT Saw Blade Sharpener
33	Black & Decker 10in dia. Double Ended Bench Grinder
34	GALVANISED STEEL CASED 12-BAG DUST COLLECTION UNIT, with centrifugal fan and ducting to first bolted flange
35	Galvanised Steel Ducting Throughout Factory (excluding lot 14)
36	Wagner 28-23 Paint Pump, serial no. 2173305, year of manufacture 1998
37	Binks Paint Pump

38	Paint Spray Gun
39	Wadkin CC Pullover Crosscut Saw, serial no. 3658 (please note this lot is subject to a prohibition notice and purchasers must ensure that this machine complies with current legislation before putting back into operation)
40	Trepel 9ft x 6ft Hydraulic Scissor Lift Table, with roller conveying fitted to top
41	Talbott Waste Wood Burner (hole in roof to be made watertight by purchaser)
42	Ingersoll-Rand Type 30 15T1 Horizontal Receiver Mounted Air Compressor, serial no. 217175, with 11kW electric motor
43	Lansing Bagnall FOFR 9 5000lb Battery Electric Forklift Truck, serial no. 4128576, with duplex mast 2.75m high, solid tyres and charger (reserve removal until 12 noon Thursday 30 May)
44	Orteguil Treadle Operated Mitre Cutter
45	SCM M2 MULTI RIP SAW, year of manufacture 1984, 8in track, 26kW, (please note this lot is not fitted with a braked motor, purchasers must ensure that this machine complies with current legislation before putting back into operation) (offered by kind permission on behalf of another vendor) (lot lo ...[more])
46	Fire Surround, approx. 1.79m wide
48	One Pair of Fork Extensions, approx. 2.15m long (reserve removal until 12 noon Thursday 30 May)
49	Assorted Doors, as set out
50	Side Board Unit, approx. 1.17m wide
51	Three Roller Conveyors, rollers approx. 300mm wide
52	Single Bay Pallet Rack, approx. 3.5m wide (reserve removal until contents cleared)
53	Two Bay Pallet Rack, approx. 8.5m wide (reserve removal until contents cleared)
54	Single Rail End Truck, approx. 1.1m x 620mm
55	Assorted Tiles, on pallet
56	Granite Worktop, fitted twin bowl sink, approx. 2.4m long
58	Samples, on pallet
59	Assorted Granite Worktops, on pallet
60	Timber Rack, approx. 3m long

61	Timber Rack & Contents, comprising mainly veneers
62	Timber Storage Crates
63	European Oak Timber, as set out
64	European Oak Timber, 25mm ² , as set out
65	Tulipwood Timber, as set out
66	German Beech Timber , as set out
67	Sapele Timber, as set out
68	American Black Walnut Timber, as set out
69	Various Mouldings of Timber, as set out including Tulipwood and Oak
70	White Wrap Mouldings, as set out
71	Pine Wrap Mouldings, as set out
72	Timber Box & Contents, including off-cuts
73	Strap Banding Tool & Equipment, as set out
74	Drawer Carcass Components, on rack
75	Single Bay Steel Rack, approx. 4.3m wide (reserve removal until contents cleared)
76	Timber Access Steps
77	Steel Container
78	Portable Vacuum Cleaner, 240V
79	Timber Joiners Bench, fitted Record 53A joiners vice
80	Three Orbital Sanders
81	Rietschle VLT60 (01) Vacuum Pump
82	Double Sided Steel Framed Rack, approx. 3m long, with residual contents

83	Edging Veneer, as set out
84	Timber Bench, 1.6m wide, fitted Record 53A joiners vice
85	Timber Bench (no contents)
86	Assorted Cutter Blocks & Router Blades, as set out
87	Two Door Steel Cabinet & Single Door Steel Cabinet
88	Hand Hydraulic Pallet Truck
89	Hand Hydraulic Pallet Truck
90	Three G Clamps
91	Three Cutter Blocks
92	Double Sided Rack, approx. 3.1m long, with double door wood cupboard
93	Steel Framed Trolley, approx. 1.45m long
94	Adhesive Application Gun
95	Multi-Drawer Cupboard
96	Double Sided Joiners Bench, fitted two joiners vices (no contents)
97	Jig
98	Joiners Timber Bench, fitted one joiners vice
98A	18 Flat Bar Sash Cramps
99	Timber Bench, fitted two joiners vices
101	Steel Framed Trolley, 950mm long
102	Jetaire Auto-Minor Mark II Portable Space Heater
103	Dustmaster Airmaster & Equipment, as set out
104	Portable Electric Belt Sander & Portable Electric Planer, each 240V

105	U-Shaped Assembly Bench (no contents)
106	Timber A-Frame Rack
107	Mobile Cage Pallet, 950mm x 940mm
108	Lenson Three Rise Mobile Steps
109	Residual Contents of Steel Rack, comprising assorted cabinet equipment
110	Two Bay Multi-Tier Rack, approx. 8.1m long (reserve removal until contents cleared)
111	Assorted Glass & Mirror Panels, as set out
112	Double Door Wood Cabinet, with contents and three box bins, with contents including corner braces and shrinkage plates
114	Timber Case Truck
115	Two Toolboxes, with contents including mainly spanners
116	Steel Chest, with contents
117	Four Joiners Vices
118	Spray Equipment, in timber tray
119	Plastic Stacking Bins, in louvred steel wall panel with contents
120	Double Door Cupboard & Contents, including mainly cutter blocks and equipment
121	Assorted Saw Blades, on wall rack
122	Timber Bench, fitted joiners vice, with extension bench
123	Grease Guns & Oil Cans, as set out
124	Assorted Lubricants & Fluids, as set out
125	Steel Case Truck
126	Mobile Trolley
127	Timber Bench

128	Timber Bench, with carpeted top
129	Stock of Deep & Shallow Flat Pack Drawer Packs, throughout room, with solid beech fronts
130	Cutlery Inserts, on two shelves of rack
131	Hand Hydraulic Pallet Truck (reserve removal)
132	Assorted Farrow & Ball Water Based Paints, in rack
133	Multi-Compartment Timber Rack (reserve removal until contents cleared)
134	Microwave Oven, with electric oven and refrigerator
135	Three Framed Benches, with four chairs
136	Mirage Drinks Vending Machine
137	Residual Loose Contents of Balcony Area
138	Timber Bench (no contents)
139	Timber Bench (no contents)
140	Four Floodlights, with partial stand
141	Steel Framed Trolley, 850mm long
142	Mobile Component Rack
143	Mobile Component Rack
144	Mobile Component Rack
145	Mobile Cage Sided Box Truck, approx. 950mm x 950mm
146	Mobile Box Truck
147	Record 130mm Engineers Bench
148	Record No. 5 180mm Vice
149	90mm Jaw Engineers Bench Vice

150 Single Bay Angle Steel Rack

151 Three Timber Crates

152 Approx. 14 Timber Stillages

153 Five Timber Work Stands, each with timber stillage

154 Assorted Work Tops, including granite, as set out against wall

155 Assorted Sample & Off-Cut Tiles etc. (under stairs)

156 Kitchen Furniture, as set out in one line

157 Pipe & Section Off-Cuts, as set out

158 Folding Alloy Stepladder

159 Two Sonpak Bay lamps

160 Electric Tile Saw

161 Elu Mobile Bench

162 Clinker XL Tile Cutter

163 Assorted Fluids, as set out

164 Hand Tools & equipment with adjustable prop

165 Fire Surround

166 Glazed TV Stand

167 Chest of Drawers

168 Corner Cabinet

169 Chest

170 Sideboard, approx 1.4m wide

171 Corner Cabinet

172	Pine Wardrobe
-----	---------------

173	Kitchen Units as set out
-----	--------------------------

174	Sideboard, approx 1.83m wide
-----	------------------------------

175	wrong lot
-----	-----------

176	Chipboard, a s set out
-----	------------------------

177	Pipping Oak MDF, as set out
-----	-----------------------------

178	Wicker Hampers, as set out
-----	----------------------------

301	Aga GC GAS FIRED COOKER, serial no. 31156, approx. 1m wide
-----	--

302	MAPLE VENEER FITTED BEDROOM FURNITURE, approx. 4.1m run x 2.25m high
-----	--

303	OAK EFFECT PANTRY UNIT, approx. 2m wide x 2.26m high
-----	--

305	Neff KAP90 Brushed Stainless Steel American Type Fridge Freezer, serial no. K3990X7GB/10, 900mm x 1.81m high,
-----	---

308	DISPLAY KITCHEN, approx. 3.3m long x 2.1m high
-----	--

309	DISPLAY KITCHEN, approx. 7.1m run, with Corian worktops, Corian island 1.2m x 1.25m and breakfast bar
-----	---

310	Four Chrome Steel Framed Stand Chairs
-----	---------------------------------------

311	Four Timber Framed Stand Chairs
-----	---------------------------------
